

## WHO WE ARE.....

- **PAS** is a National Accounts Program that assists property management companies nationwide with their purchasing needs....from maintenance supplies, floor covering, paint, appliances, window coverings, janitorial, and lighting products to office supplies, uniforms and vending.

## HOW OUR PROGRAM WORKS....

- **PAS** provides a network of suppliers that offer quality products, competitive pricing, and reliability – with proven outstanding service!
- **PAS** partners together with our suppliers in an effort to standardize your products and reduce your costs!
- **PAS** provides your properties with a “Power Buying Book” (PAS Catalog) which consists of product information, pricing, and supplier order information and account numbers.....great tool with easy access information!
- **PAS** provides "national" pricing consistent within all regions - no more pricing all over the board and having to negotiate pricing.....we do it for you!
- **PAS** provides industry expertise and acts as an extension of you - we partner with our suppliers and work on your behalf to resolve any issues that are outstanding or need attention!
- **PAS** provides purchase reports on a monthly, quarterly, and annual basis - no need to spend your valuable time doing them yourself!
- **PAS** provides price comparison crossovers and invoice analysis reports - available upon request!
- **PAS** provides new account numbers for start-up properties - no need to fill out unnecessary paperwork with suppliers anymore!
